 - Bus stop 16 has ‘racks’ for beach chairs which are on town property. Should such racks be installed at other bus stops?

TOTERS

- Beautification Committee would like to have input as to when the toters at each bus stop are brought out in the spring and removed in the fall
- Overflow of trash on Lake Shore Drive during the summer season, particularly on weekends. Can the toters on Lake Shore Drive only be emptied on Fridays before each weekend?
