

BEAUTIFICATION COMMITTEE MEETING—SEPTEMBER 18, 2017

CommuniTree UPDATE

- Approximately 12 trees will be delivered via **CommuniTree**
- Brian Kanyer and Kendra Bartlett selected four to five possible sites for planting

1. Community Center—triangle area by playground; 3-5 trees to provide shade
2. Golden Gate Park
3. Melrose Park—grassy area around the park
4. Upper Melrose Park—possibly one tree
5. Floral and Roslyn Trail Triangles—two triangles
6. Considering grassy area around Community Center

- Trees will be delivered; planting will be done by Brian Kanyer and Street Department, however, additional assistance may be required.

SPECIES

- Ironwood and Hackberry trees

STOP 23

- Discussed status of the progress at Stop 23
