

LONG BEACH COMMUNITY CENTER COMMITTEE MEETING

February 20, 2014

Members Present: Bill de Funiak, Jim Dehler, Pat Eckenstahler, Mary Joy, Pat McDonald, Jim Price

Citizens Present: Jim Neulieb

Nuts and Bolts – Pat McDonald reported the Center has weathered the winter very well with no major problems. The lights in the gym have been replaced much to the delight of the pickle ball participants. The scaffolding used in the gym was also used at Town Hall. The dimmer switches were changed out with regular switches saving the Town over \$500.00.

Lease Commtee – Bill advised that the process of lease renewal is complete.

Fund Raising – Brick Sale – Debbie was unable to be at the meeting so, Pat Eckenstahler will contact her to find out plans for next phase.

Plans for 2014 – Members were asked to have suggestions for discussion at the next meeting.

Park Programs – The programs have been a success despite the weather. Pickle ball and Tai Chi are the most popular. Anyone with suggestions for additional programs should contact a member of the Park Board.

Gym Floor – Jim Dehner reported that the new president of the Civic Association has contacted him asking that he attend their next meeting for the purpose of talking about the resurfacing of the floor as a possible project for their consideration.

Comments from Members – Bill reported on the sale of the used fitness equipment. Sales have been brisk but we still have many pieces for sale. Anyone interested in making a purchase should contact Bill.

Comments from the floor – Jim Neulieb thanked Mary Joy for her contributions to the Park Board.
