

# LB Park and Recreation Board

October 24, 2012 7:00 pm

LB Town Hall

Present: Mary Joy and Joy Schmitt (co-presidents), Jane Neulieb (Secretary) and Bob Angelo.

3 townspeople were present

1. Discussed possible equipment for Soccer and other sports
2. Discussed all park lands. Graffiti is still present on the east side of the pump house. Bob stated he would talk to the water department as they have the paint for the pump house.
3. Discussed the possibility of joining the Park board with the Community Center board. This would enable the care and management of the Community Center to be synchronized with the needs of the community for recreation. The whole board agreed and the townspeople voiced support also. We then could join forces to beautify the indoors as well as the outdoors. The Community Center board would be an advisory committee to the Parks and Recreation Board.
4. Mary Joy has published the information for the Turkey Shoot event for the weekend before Thanksgiving.

Next meeting is November 28, 2012
