

LONG BEACH STREET COMMISSION  
MEETING MINUTES  
AUGUST 20, 2015 8:30 A.M.

All members were present.

1. Approved the minutes of the July 13, 2015 meeting
2. An update on the salt storage building was presented, and new options were discussed.
3. The repairs made to the damaged stairs at Stop 29 were discussed and OK'd.
4. Some Stops need repairs, and this was discussed. The Street Commission was given \$30,000.00 to use as they saw fit for repairs, tree trimming and removal, and beautification. The trees at 22 that encroach on neighboring property will have to be trimmed, or removed. Haas and Assoc. were hired to give us direction in correcting erosion issues at Stop 22 & 23.
5. Pat McDonald has met with residents at different stops to discuss repairs and improvements.
6. Bids have been requested for repairs of damaged concrete at different Stops.
7. Bids were requested for replacement of the stairs at 19 & 26. These will be taken under advisement.
8. Surveys were completed at Stops 18, 22, and 23. This will allow us to determine where work can be done.
9. NIPSCO has asked the Town to take part in replacing all street lights with new energy efficient L.E.D. bulbs. This was approved by the Council.
10. A home owner at Stop 14 sent a letter and photos of a water issue at her home. A site visit was made and suggested remedies were sent to the property owner.
11. The leaf pickup bid for 2015 was discussed and will go to the Council for approval.
12. Thanks to Bob Angelo and Tom Dolph for getting the swings at the small park at the top of Melrose fixed.
13. There were some public comments made on street issues.
