I. Call to order

II. Quorum: Kathryn De La Barre, Sec.; Jerri Massey; William Hazelgrove;
Absent: Kendra Bartlett, Pres. 4 residents were present.

III. The August 24, 2016 regular meeting minutes were approved.

IV. New Business:

A. Resident Sunny Dowling presented the idea of having a community pot luck at the Community Center. Board members suggested that she contact some community residents to see if there would be an interest in a pot luck before moving forward with any planning.

V. Old Business:

1. Jerri suggested that improvements for the grassy island area at stop 20 (Golden Gate and Sumerset) proceed slowly. Starting with some general cleanup and removal of some old shrubs. Possibly adding some type of decking and picnic table. There is some concern about the area possibly being wet and swampy.

2. Kathryn presented some background information about the backstop at the Community Center. The backstop was installed some time during the early 90's. It was not new - it came from another location in the MCAS system. The lower 4 foot section has been replaced and has many sharp edges protruding toward the baseball diamond.

VI. Garden Club: The garden club has removed the dying roses and planted perennials in that area. Their representative inquired about the possibility of an underground watering system for the park gardens.

VIII. Public Comment:

Concern about the way the fence looks along Karwick Rd. and the club property.

Brian Kanyer is working on removing the phragmites (an invasive species) at stop 19.

IX. Adjourn: Next meeting Wednesday, October 26, 2016 at 6PM at the Town Hall.
