

Minutes
Town of Long Beach
Police Commission Meeting
Aug. 2, 2017 8:00AM

1. Call to order
2. Approval of the June 9, 2017 minutes

Old Business

- The new LaPorte County Communication center has been delayed
- Ticketing at Meltose Park has been successful
- Police body cams have been put on hold
- Noise ordinance is a work in progress

New Business

- A discussion of the public's use of the beach was discussed. It was determined that all citizens can use the beach north of the vegetation.
- Short term rentals and Police procedures discussed
- Chief Sulkowski discussed our back-up server and it's compatibility with the new county wide system. It was pointed out that this server is no longer under warranty.
- Fanning and Howie to give us an estimate on Town Hall roof problems.
- Air conditioning at the Town Hall was discussed. One of the four units has failed and the remaining three units are aging.
- Use of Town right of way was discussed. Questions about personal use of parking, large rocks, planters etc.

- Lengthy discussion regarding unleashed dogs. Continuing reports of local dogs running loose and frightening pedestrians
- Police to monitor areas of the community where excessive speeding has been reported.
- The Northwest Athletic Club has been cancelled
