1. Call to Order
2. Approval of June 5, 2017 Minutes

Old Business

- Procedure for handling the OVB may be available this week
- The county wide communication system has been delayed. We may see something in August.
- There was an ongoing discussion concerning the penalty for paid and unpaid Short term rental violations
- Chief Sulkowski brought up new concerns regarding the costs for both long term and short term use of body cameras. He is exploring more economical avenues.

New Business

- Chief Sulkowski requested funding to expand radio frequency capabilities to enable communication with the beach communities on the Michigan side of the beaches. He estimates it will cost \$3000.

Public Comment

- A lengthy discussion was initiated by Mrs. Jane Neulieb regarding an incident on the Stop 20 Beach.
