DIRECT PAY UTILITY PAYMENTS

The Convenient Way to Pay is Now Available. We are pleased to announce a new service available to our residents. We will automatically deduct your utility charges and monthly refuse charge each month from your checking or savings account. Sign up today and enjoy the following benefits – Service is free – No more writing checks, postage – No more late payment fees.

Here's How Direct Utility Pay Works

When you enroll, you authorize your monthly payment to be made from your checking or savings account. You will continue to receive a monthly utility bill after the 12th of the month that shows your utility charges and refuse charge. Funds will be transferred from your checking or savings account on the 20th of each month.

You simply deduct the TOTAL DUE listed on your utility bill and also the monthly refuse charge from your checking or savings account register.
