

# Minutes

## LB Street Commission June 15, 2016 9am

1. Call to Order- Commissioners present- Jane Neulieb, Dan Tannas, Brian Hogan and Tom Dolph- Street Superintendent. 3 townspeople present.
2. Minutes approval- unanimously approved May 2016 minutes
3. Equipment Status- Lease options on Front Loader and Leaf Machine being explored.
4. Striping and Paving- Pot holes being fixed at a cost around \$2900.00
5. Erosion Control-Project bids have been extended to June 28<sup>th</sup>.
6. Beach Stops- Letter to homeowner to the west of stop 23 to remove drain pipe on town property to be sent. Stop 24 limited access to the beach was discussed. The path from street to beach is used but the drop off from dune to beach is extensive and there are rocks on the landing at the beach. Children jumping off bluff onto rocks, older people unable to traverse this hurdle. Tom Dolph is working on a solution for these problems.
7. Heavy Equipment Access Permits Stop 24- Have been used infrequently compared to last year. Exploring increase to permit fee to finance the repairs needed to correct damage done by equipment.
8. ATT box at Stop 28- Tom will call ATT to get reconstruction work to be done.
9. Street Cutting Permits-none
10. Other projects- Mosquito spraying- none done yet. Dry weather has been helpful in abating mosquitos. When done the department uses EPA approved chemical. Out of 1100 homes there are 5 that have requested not spraying near their home.
