

BEAUTIFICATION COMMITTEE MEETING—JANUARY 15, 2018

JACQUELINE PRENTISS attended the meeting. She is on the Beautification Committee in Westville. Interested in our Town Signage ideas and wanted feedback.

TOWN SIGNAGE

No collaboration between the Beautification Committee and Long Beach Civic Association

Will contact Civic to voice, once again, our concerns over the placement, design, and size.

Community input has been ignored.

These points were presented to the APC.

CONCERNS

Is the Beautification Committee viable?

Beautification Committee Mission Statement—“to work collaboratively - with the Town government bodies and residents”.
