

## **BEAUTIFICATION COMMITTEE MEETING—JANUARY 26, 2017**

7 p.m. Town Hall

### **MOON VALLEY**

- **Brian Kanyar, along with Joy Schmitt, Anna Juhasz, and Cleo Brodsky if available, will walk the trail upon its completion to review maintenance requirements; i.e., disbursement of mulch, weed control, etc.**

### **TOWN TRIANGLES**

- **Plans for construction of a small split rail fence at the Hermoine/Roslyn triangle will establish a boundary for cars and help in maintaining the area.**
- **Triangle at Chastleton/Avondale (Stop 22) will be assessed and developed accordingly.**
- **Will contact Tom Dolph to stake property makers at both triangles**
- **Golden Gate/Somerset triangle will also be evaluated; need assistance from Street Department.**

### **BUS STOPS**

- **Discussed bus stop maintenance—who is responsible for monitoring bus stop clean-up--Streets, Police?**
- **Chairs, kayaks, inflatables, etc. are being left during and after the summer season.**
- **Are ordinances in place that regulate leaving these items on town property?**
- **Leaving these items during the off season in particular causes long term hazards to our lake waters.**

### **PARK BOARD**

- **Park Board members are recruiting Bus Stop Captains.**
- **Surveyed being developed for design and implementation of Bus Stops.**

### **UTILITY VEHICLE**

- **An upgraded utility vehicle is necessary for Brian Kanyar to use in maintaing Long Beach towns property.**
