

Beautification Committee Minutes — April 14, 2016

STOPS 22 AND 23

- **Reviewed status of Haas plans for Stops 22 and 23; Haas will be accepting bids; work will most likely be done in stages—drainage, stairs, landscaping**

TREES

- **Walked the park to review placement of stakes for trees**
- **Re-walked the perimeter of the park for tree planting guidelines**
- **Reviewed types of trees that would best enhance the park area**
 - 5 Autumn Red Flame Maple will be placed along the street**
 - 1 Tulip tree by gym window**
 - 1 River Birch by basketball court**
 - 2 Redbuds in outfield**
 - 3 White Dogwoods behind the rose garden**
- **Trees will be planted by NIPSCO's tree nursery**

CHAIN LINK FENCE ALONG KARWICK Road

- **Nick spoke with a member of the Long Beach Country Club regarding replacing the two sections of chain link fence along Karwick Road. The country club is in agreement that a replacement fence would enhance the area, however, this project is low on their list of priorities. They are interested in getting bids.**

TOWN SIGNAGE

- **Nick spoke with a representative from Landmark Signs in Chesterton**
- **Presented samples pictures of signs—entrance welcome signs; Long Beach School; Town Center; police; sign at Stop 24**
- **Discussion will continue at next months meeting**
- **Would like to prioritize sign replacement at Long Beach School**

Next meeting Tuesday, May 17 at 7:00 p.m.
