

BEAUTIFICATION COMMITTEE MINUTES—MAY 17, 2016

- **ORIOLE TRAIL AND CHASTLETON CORNER PARCEL—** Brian has cleaned the area. Brainstormed suggestions for sprucing up the area. Brian will lay out a design—possibly using “LB” logo with Boxwoods—He will price the materials and forward to Town Council president.
- **PARK TREES—**NIPSCO planted the trees by the community center. Two trees appear to be slanting; will contact NIPSCO’s arborist to replant/realign. NIPSCO will grind out the tree stumps soon. Brian will check water supply by Community Center; discussed possibility of purchasing a water barrel. A water cart is needed to water other plants and trees around the town.
- **STOP 26—**A resident at Stop 26 contacted Nick regarding a parcel of land at the intersection of Hermoine and Rosalind Trail that needs cleaning. Brian will check out the area and clean. Will discuss a long term solution for this parcel at next months meeting.
- **STOP 24 WATER TOWER—**Ongoing discussion regarding former plans for renovating the water tower and area. Brian informed us that there are a few planters that he will clean and replant.**TOWN SIGNAGE—**Continue to research various companies for pricing. Discussed various ‘themes’ to be used for the signs; would like to be uniform. Priorities would like to be entry signs on Karwick Road and Moore Road. Approximately 10 signs would like to be replaced.
- **OTHER BUSINESS—**Long Beach Country Club is interested in replacing the chain link fence along Karwick

Road/Chastleton a priority. Would like to split the cost with the town and/or Civic Association.

- **NEXT MEETING**— June 9, 2016 @ 7:00 p.m. Town Center
