

Town of Long Beach
Police Commission Meeting
February 6, 2013
Minutes

1. Present: Val Sliwa, Bob Angelo, Bob Schaefer, Chief Marshal Sulkowski

2. As part of old business, the Chief provided information on costs to replace the firearms and hand held radios, as well as, evidence equipment. The \$900 estimate for evidence kits can be covered by the budget. The cost for the guns and radios, less trade in values, amounts to \$8,272. The commission unanimously approved the expense and will recommend this to the Council.

3. The commission discussed the Contract for Police Protection for Michiana Shores. Representatives from Michiana Shores were present and explained that they feel since they had signed the original three year contract for 2012, 2013 and 2014, the charges for those three years should be honored. The charge for 2012 was \$43,663 as originally proposed.

Last year they were presented with a two year contract that called for larger increases than the original one. The original fee for 2013 was \$44,973 and for 2014 it was \$ 46,322. The revised fees were \$47,800 for 2013 and \$52,000 for 2014. Their council did not approve that two year contract. After much discussion, the commission voted unanimously to agree to the original two year amounts and will recommend that the Council approve such.

4. The next meeting will be held on March 6, 2013.
