

LONG BEACH PARK AND RECREATION BOARD

JULY 25, 2012

MINUTES

1. Call to Order- meeting called to order by Mary Joy at 7:00 pm. Other board members present: Joy Schmitt, Jane Neulieb and Bob Angelo. There were 2 residents present.

2. The minutes of the June 27, 2012 were approved unanimously.

3. Review of park lands: Stops: Stop 23, 24 and 28 had marked damage from the rain storm.

Stop 23 had a large sunken area right near the stairs. The landing sunk down approx. 3 feet in an area of approx. 6'x6'. This was roped off for safety and the street department refilled the area the next day. The water had rushed down the street which caused erosion beneath the landing.

Stop 24 had erosion problems from the same rain storm on the gravel drive north of the pump house. This was attended to by the Street Department.

Stop 28 had erosion problems at the landing near the road which caused sunken areas that were repaired by the Street Department.

The pump house has graffiti written on the east lower side. We will have the street department paint over it.

4. Recreation Program update- The summer program is doing very well. There are now 100 plus day campers who are participating in many fun activities. A big thank you to the director Sara Kanyer.

5. Board members discussed the budgeted items for 2013 such as the mower would expedite upkeep of the parks.

6. Comment from the residents: inquired about the budget seminar that was held with Carl Sender. The seminar was very helpful in understanding the budget process. Our Budget has been handed to the Budget and Finance committee.

The meeting was adjourned at 8:15 pm
