The regular meeting of the Long Beach Community Center Committee was held on June 13, 2013 at 4:00 P.M. at the Long Beach Community Center.

The following members were present: Pat Eckenstahler, Pat McDonald, Mary Joy, Jim Dehner and Jim Price.

The following items were discussed:

Pat McDonald reported that there was a water leak and that it was fixed by the Water Dept. Also, it was noted that a leak in the Courtyard room was due to the gutters backing up. The gutters and roof area was cleaned and solved the problem.

Pat Eckenstahler inquired of any additional items that may need to be included in the budget for next year. It was noted that the gym floor needed attention as well as the outdoor basketball area. Pat noted that the budget process for next year will begin soon.

The Lease Committee reported that the leases for both the YMCA and Ron Papke have been finalized.

The Brick Fundraising project was discussed and it was noted that the brick sidewalk project is pending; but the Committee agreed that it was a worthwhile project and would like to keep the project active.

The possibility of a trivia night was discussed as a possible fundraiser.

Jim Dehner reported that he had met with a contractor regarding repair of the gym floor. He will present estimates for sandblasting and repairing the floor.

With no further business to come before the Committee, the meeting was adjourned at 5:15 P.M.

Respectfully submitted,
