

Buying or Selling a Property in Long Beach?

We need to know!

As soon as you schedule your closing date, please contact us.

If you are buying:

Welcome (soon) to Long Beach!

Please give us a call and we will begin the process of setting up your account.

Ask us, and/or peruse our website, to get additional information about our services.

If you are selling:

We will schedule with our water superintendent to take a final meter read on the morning you close.

As soon as we receive that meter read, we will prepare your final bill and simultaneously transfer the account into the buyer's name.

If we have not yet heard from the buyer, we will need to keep your account open until we do.

So please speak with your real estate agent about this ahead of time; they can ask the buyer's agent to remind the buyer that we need a call.

* Your refuse charge automatically transfers into the buyer's name as well.

* If you are on ACH pay, after your final bill has been paid, we will delete your bank account details.

As always, if you have any questions about your water service, please contact us.

Thank you and Happy Sales!

The Long Beach Water Department
